

## **DIRECTIVE-RULE ADJUSTMENT 2013-2014**

- There shall never be more time left of the game than it was when the referee called for timeout.
- It is allowed to jump up from the ice and play the ball with the stick, but not higher than his breast height.
- It is allowed to direct the ball correctly with the skates or the body unlimited times in succession.
- A shot hitting a team mate's skates or body and then goes into the goal, shall be approved, unless the team mate is acting actively to direct the ball.
